

Skander77 - computer guy/hacker

--- MY STUFF ---

i do everything with computers. if u need a site or a fix i can do it fast. very cheap price.

SKILLS: typing, internet, windows, making apps, fixing wifi.

WORK: **Boss | My Own Business | 2019 - now**

I fixed many computers for my friends and made a website once for a shop but it is not online anymore.

SCHOOL: i learned from youtube mostly.
